

TRANSIT RE-DEPLOYABLE KIT No. 2a

The compact Transit Redeployable kit allows the Transit Redeployable Camera, Redeployable AC/DC PSU, Loudspeaker, RF Switch, In-Car Charger and cables to be conveniently stored in a rugged protective transportation case. The transportation case is fitted with wheels and retractable handle for ease of movement at a moments notice.

Ideal for pre-determined public events, protest marches and counter-terror operations, where an audio warning capability is required.

Includes:

- Transit PTZ or Transit 360 server (fits all variants)
- External Mains Power Supply Unit (AC-DC)
- Transit internal battery link dongle
- Revader DC-in cable
- Revader network cable
- Mating brackets with safety wire (x3)
- **Revader external loudspeaker**
- **RF Power Switch V2 with keyfob** (configured to control server and loudspeaker)
- **Revader in-car charger**
- Super-tough Pelicase® with wheels and extendable handle

Case dimensions: 80cm long x 52cm wide x 32cm high Weight Packed: 22Kg
